

2023 CONFERENCE

#Empowering Futures: Fostering Inclusive Innovation in Financial Aid

Wednesday, 4 October – Friday, 6 October 2023

Gold Reef City Theme Park Hotel, Gauteng

HOSTED BY

Tenet Technology

About us

Tenet Technology - A Fintech offering an alternative way to transact in a digital world
Tested/Trusted/Affordable Broad-Based Financial Technology Services

Tenet Technology is client-focused and result-driven, offering a digital payment system that provides affordable and accessible financial technology services. Our purpose is to empower individuals and businesses, reshaping how financial services are experienced through the power of technology. By building partnerships based on trust and empowerment, we aim to create the financial services platform of tomorrow while addressing the needs of today.

Our story is one that encapsulates a forward-thinking and people-centric approach to financial services. Traditional financial services cater to the lowest common denominator, as opposed to individuals and their communities.

This all changes today.

By enabling you to create your own way to bank, tailored to your needs for your community, you are empowered to take ownership to design and share in the value with those you care for most.

UNLOCK YOUR POTENTIAL WITH CAPITEC EDUCATION FINANCE

Scan to apply:

Study anything you want with an education term loan of up to **R500 000**, at a **discounted fixed interest rate** and up to **84 months to pay**

WHY USE CAPITEC EDUCATION FINANCE?

-  Lower monthly payments to fit your budget.
-  Apply online or in-branch - the choice is yours.
-  Study any course at your educational institution.

HOW DOES IT WORK?

-  Get an estimate to see if you qualify.
-  If you qualify, someone from Capitec will contact you to finalise your application.
-  Once your application is approved, the funds will be paid directly to your educational institution.
-  You repay the credit to Capitec via a monthly debit order.

HOW TO APPLY

Apply online on your phone or computer from the comfort of your home and get your offer within 5 minutes. No need to visit a branch, just scan the QR code above, go to the link below, or send an email to info@capiteceducationfinance.co.za.

ABOUT SMD TECHNOLOGIES

In 2005, SMD Technologies embarked on its remarkable journey, establishing its roots in South Africa as a trusted supplier of scientific and financial calculators. However, this was merely the beginning of an exciting evolution. SMD Technologies quickly set its sights on diversifying its product range to cater to a broader spectrum of consumer needs.

Fundi Student Accommodation

The **all-in-one digital platform** that enables search for accredited and **non-accredited** student accommodation.

With real-time apartment viewing, instant access to prices and quotes, a geographic spread of accommodation, lease management, student check in, and accredited by most institutions this platform provides the opportunity for all students to find safe, suitable accommodation to that they can excel to the best of their quality.

INSTITUTIONS

Accredited institutions can customize their own dashboards for allocation of beds to students on and off campus.

Institutions can manage the relationship with unaccredited merchants, receive student details and lease agreements from merchants, approve/decline merchant requests for payment, keep a digital record of activity.

MERCHANTS

Accommodation providers can list, manage and monitor their property performance in real time.

Unaccredited merchants can claim funds for university-linked students, register an online merchant account, upload student details and lease agreements and get approval from institutions.

For more information, contact Fundi on: 011 670 6100 | www.fundi.co.za
